

Eight Oaks Adventurous Portfolio Performance February 2020 - GBP

EIGHT OAKS

For Professional Clients Only

Portfolio Objective

The portfolio has been established with the primary aim of providing a strategy entirely focused on growing the wealth of investors over the medium to long term in a risk efficient manner. The portfolio will invest in a range of different asset classes, including equities, bonds, property, commodities and cash. The funds may also

seek investment diversification by obtaining indirect exposure to alternative asset classes and investment strategies in order to try and achieve its investment objective.
